## Mission Statement

Ambrosoli is a community minded school that nurtures curiosity, creativity and global awareness through an inspiring, broad and engaging curriculum. Children learn to become resilient and respectful in an environment where each child is challenged and encouraged to thrive and achieve as an individual.

## Our Vision

Empowering pupils to become confident, compassionate and internationally minded learners.

It is with great sadness that we report the death of Zahra a member of our school community who joined our Sunflower class in August of this year. Zahra died on Tuesday of this week, in hospital, of a severe pneumonia infection having just returned from holiday.

I have sent condolences, thoughts and prayers on behalf of the whole Ambrosoli community to Quresh and Rashid, Zahra's parents, and they have asked to be allowed to grieve privately and quietly.

The unimaginable has happened to one of our families and it is difficult to conceive of how Zahra's parents will be able to move forward. We offer them our love and support at this very difficult time

We will open a Condolence Book in the school office on Monday next week so that if you wish to write a message, a thought or a prayer you may do so.

In due course we will think about how, as a school, we can remember Zahra's all too short

time at our school, through some sort of permanent memorial.

R.I.P Zahra Fidahusein, we will miss your lovely smile and your joy at being at our school.

*In Loving Memory*

### **A message from the Head of School**

It has been a sombre week in school and our hearts go out to the parents of little Zahra who was a member of our community for such a very short time.

All class teachers today will talk to the children in their classes to explain, with as much sensitivity and care as possible, about Zahra's death and I am sure that the children will have many questions. Please be prepared for them to ask you questions over the weekend too.
