Tinkering Club

To tinker - attempt to repair or improve something in a casual or desultory way.

"he spent hours tinkering with the car"

synonyms: try to mend/improve, work amateurishly on, fiddle with, play (about/around) with, toy with, trifle with, dally with, dabble with, potter about with, fool about/around with;

In Club session 2 Headteacher Mandy is running a 'Tinkering' Club. In this club we will have great fun taking apart a number of 'dead' electrical appliances that are lying around school, dividing up the components and then using these to create some art work, jewellery or sculptures. Although we do have quite a lot of useless electrical equipment in school I would be happy to take in some more if anyone has something (smallish) that they would like to dispose of in a creative way - so we are thinking old fans, cameras, kettles, irons, hard drives, printers etc etc. We do have a good tool kit to get us off to a good start but, again, if you have tools that you no longer use or that are surplus to requirements we would be happy to add them to our toolbox.

Thank you. Mandy (HOS)

Additional Year 1 class in January 2019

We will be opening an additional Year 1 class in January 2019 to accommodate a few children who

are on our waiting list. Teacher Sara, who will be returning from extended maternity leave in January, will lead the new class. Parents of children in Year 1 have been informed of this and given the opportunity to ask for their children to join the new class, but this will be at their behest. If they would prefer their children to stay in their current classes this is fine.

The new class will be based in the PE room which will be decorated and furnished over the school holiday so that it is ready for the new term. It is a pity to lose the PE room but it really is used very little and Teacher Ronnie is confident that activities can be carried out just as well in the school hall.

If you know of anyone wishing to enrol their children in our new Year 1 class (there is often a waiting list for this age group) please ask them to contact Liz on admissions@ambrosolischool.com It is likely, unless numbers drop significantly that we will have three Year 2 classes in school year 2019/20.

Message from the Head of School

End of term 1 reports will be sent out to parents of children in KS1 and 2 (Years 1 - 6) on Friday 7th December. Reports will be sent out electronically and accessed by parents via their school ECCO account. We will share more information about this with you during next week.

The KS2 team have worked incredibly hard to produce their play for their school year "The Peace Child". I try to avoid seeing rehearsals as I like to be surprised along with the audience when I see it for the first time but it is certainly sounding amazing! I am looking forward to seeing you all there.

Also next week our Christmas Fair is on Friday from 5.30pm onwards. You will be able to do some Christmas shopping, enjoy some good food and good company and listen to our school choirs

getting us into the mood for Christmas with their
carols and Christmas songs.

It's going to a busy but very enjoyable week.
