Mission Statement

Ambrosoli is a community minded school that nurtures curiosity, creativity and global awareness through an inspiring, broad and engaging curriculum. Children learn to become resilient and respectful in an environment where each child is challenged and encouraged to thrive and achieve as an individual.

Our Vision

Empowering pupils to become **confident**, **compassionate** and **internationally minded** learners.

This Weeks learning goal: Resilience

Never help a
child with a task
at which he feels
he can succeed.

Open Morning - Thurs 31st January

Please come and join us for a few hours (from 8 -11am) in the morning of Thursday 31st January for our Open Morning. We promise you will learn a lot!!

As this is our International Primary Curriculum (IPC) accreditation year we are making the most of the opportunity of open morning to make sure that our parents and friends understand how the children learn through this exciting, engaging and 21st century curriculum. Our teachers have planned some very exciting and engaging lessons to help you, the parents and friends, to understand how your children learn through the IPC curriculum.

- Do you know that our children know the difference between knowledge, skills and understanding? Ask them!
- Do you know how the school's shared vision impacts on improving learning? Do you know the school's shared vision??
- Do you know that the IPC is taught through independent yet interdependent subjects?
- Do you know how the school community can contribute to the development of international mindedness in our students?
- Do you know how the learning process of the IPC impacts on improving learning?

You will be able to find out more about all of these things and see learning in action at Open Morning. We really value our communities' support with this accreditation process so please do come along for a few hours and bring your family and friends too. We will reward you with coffee and cake! :-)

ISAAK Football

Results on the football pitch

Our football season started off on a positive note. The U9 boys and U9 girls teams were involved in some matches last Saturday against Acacia and ISU. The U9 boys were 6-0 and 5-2 winners against ISU and Acacia respectively while the girls managed a 0-0 draw against Acacia. The U11 girls and boys also started the season with wins against ISU. Well done to all the teams and looking forward to more success on the football field!

Tuesday 29 Jan

Bernice - Bursar

Dear Parents,

We do appreciate all the parents who have paid up their Fees and met the deadline of 18th January 2019, we thank you.

Unfortunately we have applied the penalty on all Fees unpaid and shall send home Statements to reflect this, In case you have made a payment and have not received a receipt as yet we thank you and apologise, please check in the administration office to update your accounts.

The Clubs, Lambda, Uniforms and any other UGX Invoices were sent home today on Friday the 18th January 2019, for those who have not received them as yet please contact Richard in the Administration office.

The Library Order forms are available in the Accounts office, feel free to come in and make your Book orders before the 1st February 2019.

The Exchange rate this week is 1\$ - UGX3,691

Thank you and Have a good weekend.

Message from the Head of School

Our teachers are all very busy planning wonderful, IPC lessons for Open Morning next Thursday. We hope to see you there.

Recruitment of teaching staff for next school year is already underway with interviews being held in the next few weeks. Please do respond to the letter sent home on Thursday which asks you to let us know about your plans for next school year. Liz will collate all of this information to allow us to make the appropriate decisions.

Next week's personal learning goal:

Personal Learning Goal

Resilience

through their study of the International Primary Curriculum most children should:

1. Be able to stick with a task until it is completed
2. Be able to cope with the disappointment they face when they are not successful in their activities
3. Be able to try again when they are not successful in their activities

Please talk to your children about being resilient - maybe give them an example of a time when you, or another family member, has had to demonstrate considerable resilience.
