Mission Statement

Ambrosoli is a community minded school that nurtures curiosity, creativity and global awareness through an inspiring, broad and engaging curriculum. Children learn to become resilient and respectful in an environment where each child is challenged and encouraged to thrive and achieve as an individual.

Our Vision

Empowering pupils to become **confident**, **compassionate** and **internationally minded** learners.

This Weeks learning goal: Communication

“THE UNCREATIVE MIND CAN SPOT WRONG ANSWERS, BUT IT TAKES A VERY CREATIVE MIND TO SPOT WRONG QUESTIONS.”

ANTONY JAY

BOOK WEEK

Next week is Book Week, on the theme of International Travel. Book week will include; reading challenges, visiting authors, dress up, buddy reading, book swaps, book taster cafe, Where's Wally hunt and much more!

If you haven't yet signed up to share a story in your mother tongue during a lunch time, please find a signup sheet on the library door.

The reading challenge is ongoing until Thursday when we will be giving out some prizes. It will be attached to this email along with the newsletter. Photographs of

reading in original places can be emailed to Edna@ambrosolischool.com

The children will be having workshops with Virginia Clay, the author of *The Warrior Boy*, on Thursday. Copies of her book will be on sale during Book Week in anticipation of her book signing on the Thursday afternoon. It's a great read and could make a lovely present. Book point will also be selling books in the entrance before school each day.

On Thursday the children are invited to dress up as a character from a book about International Travel. This could be a book from an international author or a book about some kind of journey. Please send your child with the book that they have dressed up from.

A book swap will take place all week in the hall. This is an opportunity for the children to give away any books that they no longer read. For every two books they donate to the swap, they will choose one to take home. Surplus books at the end of the week will be donated to CORSU.

Triathlon - 2nd March

Teacher Ronnie - Pe

Please remember that the school Triathlon will be held tomorrow Saturday 2nd of March.

Finance Department

Bernice - Bursar

Welcome back !

Thank you to all those who have met their financial obligations to the school, we appreciate it very much.

We would like to remind those who have not paid their fees to please endeavour to do so before the **15th March 2019** to avoid the inconvenience of your children being sent home on the **18th March 2019**. Please feel free to contact us in the event you would like to know the status of your accounts.

In case you have made a payment and it is not reflected and therefore have not received a receipt as yet we thank you and apologize, please check in the administration office to update your accounts.

The Exchange rate this week is 1\$ - UGX3673

Thank you and have a lovely weekend.

No Supervision on Fridays

This is just a reminder that the school does not offer supervision for the children on Fridays. School finishes at 2.45pm and we expect that all children have been collected and taken home by 3pm. On Fridays all members of staff are entitled to leave at 3pm and, therefore, we cannot guarantee that there will be anyone on campus after this time to ensure that your children are safe.

If a member of the Admin staff does have to stay after 3pm to look after children the school charges 25,000 UGX per 15 minutes. Please make sure that nannies and drivers are aware of this. Thank you.

Message from the Head of School

Internet safety is on everyone's minds at the moment and particularly parents or those of us responsible for the education of children. A new and sinister online challenge known as MOMO has recently resurfaced and has been very worryingly linked with Youtube kids amongst other apps. Please read the attached flier for more information.

We have, temporarily, shut down the access that children in school have to the internet in an effort to make our online security as tight as possible. In the interim the children will be honing their ICT skills - word, excel, powerpoint etc - probably until the end of next week whilst our IT team investigate

and put in place the most appropriate search engines and firewalls.

A number of parents attended Wednesday's Parent Partnership meeting in which Ronnie gave information and answered questions about our clubs and squads. Our next Parent Partnership meeting on Wednesday 27th March will be lead by Teacher Alfred and will be about e-safety.

I am looking forward to seeing many of you and your children at the Triathlon tomorrow. We have had the highest number of children registered ever!

Next week's personal learning goal is -

Communication

The vast majority of children will, through their study of the International Primary Curriculum:

1. Be able to make their meaning plain using appropriate verbal and non-verbal forms
2. Be able to use a variety of tools and technologies to aid their communication
3. Be able to communicate in more than one spoken language
4. Be able to communicate in a range of different contexts and with a range of different audiences
